| About this trainer/assessor guide .....   | 6  |
| Learning resource.....  | 7  |
| Topic 1: Initiate case management process.....  | 7  |
| Confirm eligibility of person for case management and match their profile against service eligibility criteria .....  | 8  |
| Inform the person of all rights and responsibilities and obtain person's consent to involvement in case management .....                                    | 12 |
| Collect information about the person, maintain confidentiality and privacy, and minimise duplication ..   | 15 |
| Prioritise person-centred and strengths-based needs and pursue relevant, achievable time-framed goals .....   | 18 |
| Ascertain specific cultural needs of the person to provide appropriate services and support for their development .....                                     | 21 |
| Recognise and respect the person's right to self-determination within legal parameters .....  | 23 |
| Identify social, economic, housing, personal and family factors that may influence the person's health, wellbeing, and level of independence.....           | 27 |
| Discuss with the person the case management process, the complaints and appeals processes and the service criteria for exit.....                            | 30 |
| Estimate the level of case management support required to implement the person's plan and discuss with all relevant parties with the person's consent.....  | 32 |
| Check your understanding .....  | 35 |
| Topic 2: Identify and consider possible solutions to complex issues .....   | 37 |
| Identify ethical issues and questions about aspects of case management and resolve in line with organisational guidelines and regulatory requirements ..... | 37 |
| Identify complex issues relating to funding of service provision and administer resources within relevant regulatory framework .....                        | 41 |
| Apply ethical practices to uphold autonomy, dignity, privacy and rights of the person .....   | 44 |
| Advocate for person-centred solutions to complex identified needs at service delivery and policy-making levels.....   | 46 |
| Collaborate with others to meet person's needs, achieve goals and optimise outcomes .....   | 49 |
| Check your understanding .....  | 51 |

|  |    |
|--|----|
| Topic 3: Develop plan of action to address identified priorities.....  | 53 |
| Use person’s identified goals and needs assessment to develop and agree on a plan of action .....  | 53 |
| Support and develop the person’s ability to independently access alternative resources to address needs.....   | 55 |
| Conduct research to establish an informed plan of action .....   | 57 |
| Address barriers that may restrict the person’s ability to meet identified goals and determine strategies to minimise their impact.....  | 58 |
| Plan actions that are within person’s financial resources .....  | 62 |
| Convene and participate in case conferences with the person, service providers, family, carers, natural supports and others identified by the person .....                                   | 64 |
| Seek and obtain the person’s consent to undertake any referrals to other services and organisations... ..  | 66 |
| Provide the person with timely information about available service options and support them to make informed decisions and exercise choice in all stages of the case management process..... | 67 |
| Document the person’s goals and determine how effectiveness of interventions will be measured and evaluated .....  | 70 |
| Check your understanding .....   | 71 |
| Topic 4: Monitor service provision and coordination .....  | 73 |
| Communicate with service providers to review the individualised case management plan and adjust to optimise outcomes .....   | 73 |
| Advocate for service system improvements and identify and communicate gaps and inadequate services to program managers .....   | 75 |
| Adjust services, supports and resources according to person’s needs and financial parameters .....   | 77 |
| Document and report to relevant organisation or funding body the implications from any variations to expected plan.....  | 79 |
| Check your understanding .....   | 81 |
| Topic 5: Evaluate outcomes .....   | 83 |
| Undertake periodic reassessment, and evaluation of outcomes against expected outcome.....  | 83 |
| Obtain information from person, service providers, funding bodies and case managers to determine progress and evaluate against identified goals in the plan.....                             | 85 |
| Evaluate the effectiveness of plan adjustments to address person’s ongoing situation and changing needs.....   | 86 |
| Evaluate the effectiveness of case management processes and service delivery, including person’s satisfaction and costs against benefits .....   | 87 |
| Work with the person to evaluate ongoing support needs to meet their goals, including review of parameters for disengagement .....   | 89 |
| Evaluate financial outcomes of adjustments to plan .....   | 92 |
| Identify opportunities for the person to maintain or develop independence from any aspect of the plan .....  | 93 |
| Document and report person’s outcomes and satisfaction in accordance with organisational policies and procedures .....   | 95 |
| Check your understanding .....   | 97 |
