Work within a practice framework

Welcome to this unit of study

This unit describes the performance outcomes, skills and knowledge required to ensure that work is consistent with established practice frameworks.

This unit applies to people working in a community services environment. They follow established procedures and ensure compliance with legislation and professional frameworks. Typically, the worker does not supervise the work of others.

The skills in this unit must be applied in accordance with Commonwealth and State or Territory legislation, Australian standards and industry codes of practice.

It may be undertaken as:

- » part of a formal qualification nationally recognised through the Australian Qualifications Framework (AQF)
- » a stand alone unit
- » part of a formal skill set
